This file highlights **differences**
between the 2025 release, and previous releases.

Red: Newly revealed in 2025.
Blue: Present in earlier releases, but not in 2025.
Black: Unchanged between versions.

For Original Documents visit:
archives.gov/research/jfk/release-2025

Notes:

Black text on a blue background indicates content
that was previously redacted using black ink.

I did my best to be accurate in revealing what is new,
but please confirm with the original sources
where accuracy is essential.

UN DISARMAMENT TALKS REPORTED

FR New York: Polish Mission to the UN
TO Warsaw: Ministry of Foreign Affairs

Msg. Nr. 484

22 Nov 63 1900
Routine

For RAPACKI

In accordance with your instructions in Nr. 12173^a LACHS continued talks
on disarmament with the Americans along these lines:

A. Inspection points plus threats is one of the possibilities.

B. Formal unilateral steps, actually simultaneous reductions by
both sides.

Talks with a representative of the Department of State: In recent talks
with GROMIKO, the USA proposed the destruction of a certain number of bombers
by both sides without inspection. GROMIKO did not turn down the proposal.
They are ready to expand the idea to include rocket launchers and other types
of weapons also without inspection, in order to comply with the reservations
of the USSR. He considers a formal agreement on future reductions or a freeze
too difficult to attain next year because of elections. A confidential agree-
ment is possible.

Information of KENNEDY's assassination was received during the discussion.
The reaction: Eliminates the possibility of any steps for elections and
freezes the situation.

LEWANDOWSKI
