CHINESE DELEGATE DISRUPTS WORLD PEACE COUNCIL

44 USC 2107(5)(g)(2)(D)(i)

FR Warsaw: AILLAUD
TO Rome: Foreign Ministry
Msg Nr: 1357

28 Nov 63

--

I learned that in Today's inaugural meeting of the World Peace Council, on which I am reporting in a dispatch of the same date, Professor LANGE, Polish Deputy Chairman of the Council of State, opened the work by expressing his profound sorrow over the death of President KENNEDY and affirming that his passing must be considered a serious loss for humanity. The French delegate MADAULE expressed similar sentiments, proposing that the entire assembly join in them. While all the other delegations were agreeing on this proposal, a Chinese delegate seized the microphone and, despite the Chairman's attempts to prevent his speaking, since the intervention of the Peking delegation had not been requested according to procedure, stated, shouting, that KENNEDY's death should not be mourned since he was the principal exponent of aggressive Capitalism and that if there should be grief, it should be expressed for all those who had died through the crime of aggression of the capitalist system, personified especially by the United States. A profound silence in the Assembly followed the untimely remarks of the Chinese delegate, after which work was resumed.
